

REWA

2015 REWA CABERNET SAUVIGNON

The aromas on this fully-ripe Cabernet Sauvignon abound with fresh cherry, boysenberry, mulberry, licorice, and cassis with minor notes of vanilla and forest floor.

At entry, the wine is soft, ripe, full, and juicy and then transitions into a long, broad mid-palate. Flavors of violets, cassis, and purple berries dominate the finish, along with short confectionary floral notes. The wine shows a strong sense of density and concentration throughout with sufficient tannins to indicate the overall sense of age-worthiness.

This wine was crafted from Rewa Vineyard in the Coombsville AVA from four small blocks, each hand-harvested, fermented and aged as individual lots in 70% new French oak. The wine is 100% Cabernet Sauvignon and was bottled without fining or filtration.

Winemaker: Celia Welch
Viticulturist: Mike Wolf
